

Whitefish Lake Golf Club
Pass Holder Cancellation Policy
2025

Accountability of unused tee times is long overdue therefore we have established the following cancellation protocol for 2025.

- Cancellation is required for any unused tee time
 - Tee-times MUST be cancelled at least **4 hours** in advance
 - This includes a foursome turning into a twosome
 - Failure to cancel times will result in loss of tee time privileges and/or fines
 - First offense – warning
 - Second offense – \$100 fine
 - Third offense - \$100 fine
 - Fourth offense – \$100 fine and loss of playing privileges
 - Tee times before 10:00 a.m. must be cancelled the **previous** day before the closure of the starter shack.

- Day of play modifications
 - A foursome turns into a threesome must give at least **1-hour** notice to the starter
 - This will give time for any walk-on singles to join

- Day of play check-in procedures – All names are required on the tee sheet
 - Check in with starter 20 minutes prior to tee time

- Inclement weather cancels are vague and tougher to monitor. Cancels due to threatening weather were never a driving force into this policy review.
 - Please be considerate and decide within 1 hour of your tee time on days where the weather may be a factor.
